

## SHIRLEY PARK LAWN TENNIS CLUB

### Improvers Helpsheet

Welcome to the club. We hope you enjoy both your tennis and the social side of the club. We thought it would be helpful if we gave you some simple guidelines the Improver members need to follow.

1. Improvers sessions during the summer are on Wednesday evenings from 6.00pm to dusk and on Sundays from between 2.00pm to 4.00pm. Winter sessions will also run on Sundays between 1.00pm to 3.00pm, subject to demand. You are also free to play any other time, as long as this does not clash with the Senior Sessions, League Matches or Tournaments.
2. Gary Houghton is the club's co-ordinator, is if you have any questions or concerns, please contact Gary on 0794 1673506 or email [gary.d.houghton@btinternet.com](mailto:gary.d.houghton@btinternet.com)
3. Tennis attire should be worn all times on court. Ribbed soled trainers, jeans and other non-tennis items are strictly prohibited.
4. **IMPORTANT** As a member this does **NOT** entitle you to bring someone from your family or friend to play at the club for free. The family member or friends needs to join the club beforehand or alternatively pay a £5.00 Guest Fee payable to the club. Please contact the Improvers co-coordinator, Gary Houghton if you wish to bring a guest or have any further questions.
5. Club Tags should be worn on your tennis shoes, kept on your person or in your tennis bag ready for inspection any time by a Committee Member.
6. After playing, please remove any rubbish for example empty drinking bottles, etc from the court. These should be taken home or alternatively placed in the designated bins around the club.
7. If you need to know what social or tennis events are happening during the year please look at the club's own website: [www.shirleyparkltc.org.uk](http://www.shirleyparkltc.org.uk)
